Bergamo Shadow

In the past few weeks our Executive Director, Brent Devitt has worked side by side with three more staff members to get further experience in how the Bergamo Center operates.

First, Brent shadowed **Brian Thomas** - night Custodian. It was a big night for set up of conference rooms and the assembly in preparation for high school retreats in the coming days. Brent also had a hand in cleaning the ten public restrooms throughout the building.

Brent also spent a day with **Ginny Snead** - Accounting, Payroll/Benefits Clerk. Activities included an orientation to the Center's accounting system, going over financials since the new fiscal year, depositing checks electronically, and learning how to operate the Energy Management System.

Most recently a day was spent with **Gene Ketter** - Custodial/Housekeeping Supervisor. After a walk-through of the whole building the pair assisted Bro. Jeff in "snaking" out a clogged urinal, fetched a Frisbee and football off the roof, vacuumed the Roncalli Assembly, stripped a dozen beds, and developed a task sheet for the custodial staff.

The next shadowing experience will be sometime soon with **Kevin Kozlowski** - Director of Youth Formation for one of the overnight high school junior retreats. This continues to be weekly learning experience for all and an opportunity to work as equals with co-workers at Bergamo.

Bergamo Welcomes Beaver Creek HS Students

Students in the Careers 3 Class from Beaver Creek High School, **Cadin Liles**, **Nathan Nevels** and **Mathew Fosnaugh**, work daily out in the community under the guidance of **Marcy Harris**, BHS Job Coach. They enjoy working at Bergamo on Tuesdays, in the kitchen and dining room areas. The crew helps to set up the tables for lunch and dinner. They have learned to roll silverware, wash dishes, use the sweeper, fill salt and pepper shakers and the like. The BHS class has had a great relationship with Bergamo for many years. In fact one of the graduates of the program **Leah Strukamp** is now employed with the Bergamo Center.

This past week has been an exciting week for these young men. Caden passed his driver's examination and received his driver's license. And Nathan was given the honor of becoming the Homecoming King for Beaver Creek at the dance on Saturday. Here is the highlight film of Nathan!
